ANALYSIS: (Attach a separate page if necessary)

This bill amends sections of AS 11.46. and would protect citizens, businesses, and financial institutions by increasing the penalty for certain types of identity theft and fraud crimes. The bill would increase the penalty from a class A misdemeanor to a class C felony for (1) theft of an access device, such as a credit card or bank account number, (2) the crime of fraudulent use of an access device if the value of the property or services obtained is \$50 or more, and (3) the crime of obtaining an access device or identification document by fraudulent means. The Department of Law does not anticipate a fiscal impact from passage of this legislation.
